FAMOUS ENGLISH YOUTH THRILLS CROWDS

HOPE FOOTBALL TEAM WILL MEET HILLSDALE SATURDAY

Men Ready For Hard Battle With Dalemens

HARWOOD MEN HAVE MADE GOOD RECORD THIS FALL

HOPE TO USE NEW PLAYS

Last Football Game Away from Home for the Schoutmen

The football squad of Hope college will make its first trip of the season this week by meeting Coach Dwight Harwood's Hillsdale college eleven in the southern city. Having little success in its quest for victory, the Hope club felt discouraged after the Olivet game, but spirits are again running high toward the Hillsdale assignment. Hope will be the underdog, but the Orange and Blue warriors are due to surprise the Dales.

Hillsdale's record this fall has been a good one. Coach Harwood had fourteen veterans at the beginning of the year from which to build his team. Four of this number were named on the all-conference eleven last fall. They are Captain Eddie Reynolds, fullback; Edwin Knight, end; James Ledvins and Robert Rowe, tackles. The other lettermen are Brooks, end; Jones, tackle; Carioto, McVicar, Nelson, guards; Smith, center; Judson, O'Dell, Restifo and Stetler, halfbacks.

Hillsdale defeated Concordia in the opening battle, 56-0. The following week the B team of Chicago University defeated the Dales 7-6. Kalamazoo upset Hillsdale 7-6 in the first conference tilt. Detroit City college was defeated 13-12, and last week Alma defeated Hillsdale by the same score.

The Dales will be after Hope's scalp for their first conference victory of the year. Hope at the same time will be trying to get ahead of their opponents, as far as conference standings go. Coach Jack Schouten will give the team several signal drills this week and new plays to strengthen the offense.

TIMES DO CHANGE

In a recent number of The Holland Sentinel there appeared the following paragraph under the head: "Seventeen Years Ago."

"Governor LaFollette of Wisconsin spoke to a crowded house at Winant's Chapel. He was one of the headliners on Dr. Nykerk's lecture course."

FRESHMEN GIRLS DECORATE DORMITORY

Orange and blue reigned supreme in decorations for homecoming at Voorhees hall.

The talent for decorative art which has been displayed by the freshmen girls has surprised by far any aptitude shown heretofore.

The three balconies of which the dormitory boasts were arrayed in blue banners bearing orange letters. The center balcony extended a glad welcome while the name of our Alma Mater graced the two end balconies.

The vestibule was a gala of orange and blue. Crepe paper skirts adorned each light.

Above the fireplace gay streamers twisted into various shapes formed an arch. Affixed to the mantel-piece was a large placard extending a welcome to the alumni.

Window sills and tables were decorated with flowers and ferns.

The feature ornamentation was an arch of orange and blue lights encircling the entrance to the dormitory.

Contributions made so generously by the inmates of the dormitory attributed to the success of the decorating committees.

Cosmopolitans Enjoy Skating Party at Park

TREASURE HUNT REWARDS "MILLIE" KLOW AND "LES" VANDER WERF

Last Wednesday evening the Cosmopolitans gathered with their "fair ones" at their hall to receive information for the treasure hunt. "Louie" Damstra gave the first clue as "where all monkeys meet." After this bit of information everyone dashed off in search of the treasure. After searching six places the group was led to the skating rink at Virginia Park and told that the treasure lay "thirty degrees south by west." After a diligent search "Les" Vander Wurf found the treasure. "Millie" Klow found a compact in her treasure chest and "Les" discovered a smoking set modernistically designed.

After the treasure was found the group all joined in on the skating party. The only thing that didn't fit in with all the fun was "Jerry" Huenick's misfortune to fall (no, he wasn't even skating) and break his wrist.

After sandwiches and pop were served, the happy couples journeyed home with another "great time" for their diaries.

LYCEUM LECTURER

RANDOLPH CHURCHILL

LYCEUM COURSE OPENS AT CARNEGIE FRIDAY

VAN KERSEN GIVES TRAVELOGUE

During the short period of one hour the Student Volunteer Group cruised around the world with Dr. W. J. Van Kersen as their guide.

After a devotional period in charge of Harriet Boot the group left port at Holland and visited the distant lands where former Hope Volunteers are stationed.

Dr. Van Kersen described vividly and encouragingly the fine work being done by Hope graduates. They are represented in the four fields, India, China, Arabia and Japan along evangelistic, educational, medical and industrial lines.

While in Arabia, Dr. Van Kersen was privileged to unveil the stone on the grave of the late Mr. Bilkert, who lost his life in an attack by native bandits. On the tombstone was Mr. Bilkert's name, and the dates of his birth and death. Below these facts was the inscription:

"An Ambassador of Jesus Christ, a member of the Arabian Mission." Thus each Volunteer was challenged to be an ambassador of Christ, to present and represent Him.

Olivet Grabs Homecoming Game By 6-0

SULLO, OLIVET HERO WINS TOUCHDOWN FOR LONE SCORE

Joe Truskowski's fighting Olivet team won a 6 to 0 decision from a determined Hope eleven in the homecoming feud waged last Saturday. For a greater share of the contest the two opponents, played on even terms, but Olivet uncorked a scoring punch late in the third quarter which netted the only touchdown.

Playing before a meager crowd of alumni and students, both teams employed cautious tactics for most of the struggle. Aerial attacks, however, figured most heavily in the scoring of first downs. Olivet's touch-down was the work of their star fullback, Sullo. Starting from their own 47 yard line the visitors marched down the field with Sullo carrying the ball on almost every play. At Hope's 25 yard stripe, Olivet was halted but a forward pass from Peck to Sullo brought the ball to the seven yard mark. Hope's line held for three plays. (Continued on Page Three)

Mr. Randolph Churchill On First Number

YOUNG ENGLISHMAN WILL APPEAR TWICE IN MICHIGAN

PRINCETON APPLAUDS

Will Speak on Topic Vital to American College Youth

Hope college students will have the rare opportunity of seeing and hearing one of the future British statesmen for Dr. J. B. Nykerk has made arrangements whereby young Randolph Churchill, British orator, will be the speaker on the Lyceum program Friday evening. The girls will be elated to hear that he is handsome, intelligent, young and unmarried. The men at Hope college will have an opportunity of hearing a youth of about their age express his ideas on the problems of the British empire.

In a recent issue of the Time magazine young Churchill was discussed in the education section of the magazine. The unusual speaking ability and the keen knowledge of the youth were among the points stressed. Churchill's itinerary was given and his only two stops in Michigan are at the Michigan State Teachers college and Hope college. The mention of the fact that Churchill will appear at Hope college will no doubt be favorable advertising for the school.

Recently Randolph Churchill spoke at Princeton and the students well understood why it is predicted that he will take a large part in British politics of the future.

Churchill will speak either on the subject "Can Youth Be Conservative?" or "Why I Am Not a Socialist."

The prices in Lyceum tickets have been cut 25 per cent with no cut in value and no student can afford to miss hearing this talented speaker.

ATTENTION, REPORTERS!

All students who write for the Anchor must have their write-ups in the Anchor Box or in the hands of the Head Reporter or Editor not later than three o'clock Sunday afternoons. This is positively necessary, for all copy must be sent to Grand Rapids on Sunday evening. There has been a little laxity about this, and we ask your kind cooperation in correcting it.

SENIORS LEAVE CAMPUS TO ATTEND EDUCATION MEET

There was almost a complete absence of Senior dignity on the campus last Thursday and Friday when the future pedagogues journeyed to Grand Rapids to attend the Michigan Educational Institute. Many were the good times they had while attending the meetings and otherwise. Much was the shopping accomplished and even a theater or two was patronized. It proved valuable and most discouraging at times to witness some of those who preceded them by several years as they will be fifty or more years

from now.

Many of the Grand Rapids girls proved excellent hostesses to their classmates. Marian Sluyter had as her guest Esther Boughter.

At Hazel Pallman's home were Josephine Rodenburg, Olivia Johnson and Olga Bender.

Anne Buth entertained Marion De Kuiper, Lucille Walvoord, Esther Mulder, Jean Hinker and Evelyn Geerlings.

Ethel Cunnagin, Marion Anderson, Betty Smith and Olive Peeke enjoyed a suite at the Pantlind.

PRAYER WEEK BEGINS SUNDAY WITH HARRISON SPEAKING

On Sunday, November 2, the noon, so as not to interfere with opening day of Hope's Prayer Week, Dr. Paul Harrison will deliver the first of a series of six addresses. Dr. Harrison is the well-known medical missionary to Arabia who wrote "The Arab at Home." For years he has made a study of the Gospel of John, and his addresses will be on that subject. As his general theme he has chosen from John 8 the words: "If ye abide in my words, ye shall know the truth, and the truth shall make you free." This first meeting will start at 4 o'clock in the after-

And all the remaining week Dr. Harrison will be at Hope. For those who wish to see him personally he will have conference periods each morning for a while and from 2 to 4 o'clock each afternoon, while at 11 o'clock each morning he will deliver an address to the assembled student body and visitors. Monday he will speak on John 4: "The Surrender that Admits Us to Eternal Life"; Tuesday on John 10: "The Divine Leadership and Help We May Have If We Lead Such a Life." (Continued on Page Two)

Band or Disband?

Those who were at the game Saturday experienced a distinct feeling that there was something lacking — something essential to a good homecoming game. It was not lacking on the field nor in the cheering. But a disastrous attempt to sing our Hope song A Cappella immediately revealed the need—that of a band. The powers of music are well known, and they are at their greatest in the stirring strains of a loud song or the pulse-quickenings notes of a military march. If there had been a band at the game Saturday, there would have been better cheering livelier enthusiasm, and better football. All of this, if there had been a band. But there remains the fact that there was none—and the question, "What are you going to do about it?"

Two things a band must have to exist—players and money. Both must come out of the student body.

It is up to you whether you want a band or not. Those of you who play or play at an instrument be loyal enough to volunteer your services. Hiding your light under a bushel won't win any games for Hope. If you can't play football, perhaps you can blow a horn. Who will say that one is more important than the other. And now, you who can do neither, your duty is to give moral and financial support—and don't stress the moral alone. When a drive is made, open up. You will then know the joy that comes from aiding a good cause. Here's a motion that we have a Hope College Band at the Kazoo game on November 7. All in favor, signify by doing their own little bit.

Choose the Best

This Friday evening will witness the first number of the Hope Lyceum Course for the year '30-'31. A wonderful program of four numbers has been scheduled for this year.

The Hope Lyceum Course is one of the few agencies through which talent of a choice order can be procured in a city as small as ours. How long it will be possible to continue to do this depends entirely upon the students of Hope College and the citizens of Holland.

There is plenty of entertainment and amusement to be had in our town. The picture theatres are showing six days every week. Almost every evening there are amateur presentations in music and drama. All these activities are entitled to legitimate support, but they should be passed by the cultured and thoughtful individual when something of a higher order can be procured.

On Friday evening Mr. Winston Churchill is to address the audience in Carnegie Gymnasium. This young orator is making only ten appearances before American audiences. In some instances he receives \$1,000 for an evening's appearance. He is fairly alive to the great problems that America, Britain and the world face today. He fearlessly gives his opinion of their import and meaning. He is hailed wherever he goes as a coming force in the political life of the British Empire and the world. You can't afford to miss this opportunity. It is your moral duty to support the individuals who make this Lyceum Course possible. You must have a part in making this program a success. Come out!

Let's Boost!

Editor's Note:

The following letter was received from The Canton Engraving and Electrotpe Company, Canton, Ohio. This company did the art and engraving work for the 1930 Milestone. At their request we are herewith publishing the letter. The letter corrects all erroneous ideas about the Milestone that have, without foundation, been floating about the campus. We heart-

ily endorse the co-operative and helpful spirit on the part of Hope friends as suggested in the letter. The letter follows:

Canton O., Oct. 20, 1930.

Editor "Anchor,"

c/o Hope College,
Holland, Mich.

Dear Sir:

Wish to make a few remarks through your weekly Organ in regard to the Hope College year book, "The Milestone."

Our firm, The Canton Engraving & Electrotpe Company, of Canton, Ohio, furnished the art work and engravings for the "Milestone." When the book did not come out in June we kept in touch with the situation, feeling all the time that the men were handling things in the best possible way.

I found that Mr. Chester Meengs, the Business Manager, and Mr. Willard C. Wickers, the Editor, were evidently trying to do everything themselves without calling for any assistance from the student body, which is almost a physical impossibility for this tremendous undertaking.

I understood they are getting a complete Alumni Section for the book, something that was never done before, and wrote all over the country for pictures of former graduates which they are printing in the book, together with occupation and present addresses.

They are printing 950 of these books in three colors, something that was never done before.

Personally, I believe Mr. Wickers and Mr. Meengs should not be censured in any way for not publishing the book in June—on the other hand, I believe they deserve considerable credit in waiting until the book was properly financed.

I believe every student and Alumni should use his own individual efforts to help sell advertising and solicit donations to help produce the finest book ever issued by Hope College and equaled by very few other Colleges or Universities.

I desire to state that Mr. Wickers and Mr. Meengs borrowed the money to pay our account and stated they would mortgage their future earnings if necessary, to pay the debts and make it possible to produce the books. I have visited numerous Colleges all over the country and have never seen or heard of such loyalty and devotion as they have for their Alma Mater.

I spent three days with them in soliciting contributions and advertising and was surprised at the high esteem in which they were held by the people of the community and the deep interest the general public have in Hope College.

Remember this is not Wickers' or Meengs' Annual, but it is the Hope College "Milestone" and it is either going to be a credit to every student or a reflection on the College. Get together, fellows, and help put it over and if I can help in any way, do not hesitate to

viding for compulsory unemployment insurance. The question is one worthy of discussion and should prove of interest to many, especially at a time when unemployment is as general as it is today.

One feature which is calculated to make our debates of more general interest is the action of the M.D.L. in adopting two-men teams instead of the usual three-men teams. As this shortens the time of the debate considerably, it will make attendance more attractive.

The coaches are planning a large number of practice debates in order that all the men who work hard may have a chance to get some first-hand experience. Negotiations are being carried on with Detroit School of Law for a debate during Thanksgiving vacation.

The following men reported on Monday: J. Van Vessem, G. Alexander, H. Zegarius, Melvin Dole, I. Decker, C. Poling, D. Vanden Belt, J. Nettinga, H. Scholten, J. Dooley, L. Vander Werf, J. Vander Kolk, W. Kuiper, M. Alday, N. Burrgraaff, H. De Windt, A. Ter Keurst, Ferguson, and B. Rottschaeffer.

In connection with Dr. Harrison's coming, the girls are holding a special meeting in the Y.W.C.A. room on Thursday night, October 30, from 7 to 8 o'clock. The main purpose will be to awaken the girls to the unlimited spiritual possibilities of the coming Prayer Week. It will indeed be a fitting preparation for those who wish to partake of its nourishment to the full.

For Tuesday and Thursday evenings, November 4 and 6, the Y. M. C. A. has planned prayer groups for the fellows at the different fraternity houses. Those who are to lead some of the meetings are Casey Dykhuizen, Prof. Hinkamp, Prof. Kleis, Prof. Lampen, Prof. Raymond, Prof. Ritter, A. Steketee, Prof. Timmer, Prof. Van Saun, and Prof. Welmers. There will be talks by these leaders and open discussions afterward. Interest will be high, for each fellow will attend a certain group to which he has been appointed.

HOMECOMING IS TERMED BEST EVER AT HOPE

(Continued from Page One)

Professor Raymond and Professor Snow had perhaps the most difficult work of the evening, although surely the decorators of the floats had a hard task also. With so many beautiful decorations and clever ideas one found it hard to choose the best. Those receiving honorable mention were: Sibylline, Knickerbocker, Delphi and Emersonian. The winner of first place was the Sorosis float in white and gold, representing Sorosis past, present and future. During the parade and mass meeting the bonfire was guarded by Frosh aided by Professor Welmers. After the parade the students gathered in Carnegie Gymnasium for a pep meeting that had "lots of pep." Mr. Wickers showed true spirit in his words to the students and was much applauded. George Damson, an alumnus whose enthusiasm

never fails us spoke. The program

was as follows:

Mass singing
Readings by Linden Linsey.
Selections on the Marimba by Hilda Lanting.
Talk by Mr. Wickers.
Old-time skit by Addison Society accompanied by real old fiddlers.

Pep talk by George Damson.
Homecoming and Homecomings—a skit by students.

Cheers and announcement of float prize winner.

At the bonfire, which was attended not only by students but also by many citizens of Holland, cheers rang through the air as the flames crept upward.

At the game on Saturday, the alumni, students and friends joined in the cheers which were led by a splendid team of cheer leaders. At the half the Frosh snake danced around the field with much yelling and laughing. Although we do not admit it there is something about Frosh pep that is enviable. The teams were very evenly matched, which means that the game was truly a good one. Although Olivet gained a victory we are very proud of our boys.

Those doughnuts and that "Koffie" certainly was just the right thing after a game.

Nothing could have completed the Homecoming so beautifully as the Sunday afternoon Vesper Recital. The soft afternoon light shining through the chapel windows, the voices of seventy-two students in the chapel choir and the organ music was very impressive.

The program of the Vesper Recital was as follows:

"Ye Watchers and Ye Holy Ones," a 17th Century German Melody by the Chapel Choir.

"Pastorale" by Guilment, played by Miss Mildred Schuppert.

"To Spring" by Grieg, played by

Miss Vivian Veldman.

"Grandmother" by Clokey, played by Miss Marian Luidens.

"Largo" by Handel, played by Miss Adelaide Dykhuizen.

"Andantino" by Franck, played by Miss Ethel Leestma, organist and Miss Mildred Schuppert, pianist.

"Beautiful Savior" a melody from the 12th Century by the Chapel Choir.

"Loccata in C Major" by Bach, by Richard Niessink.

Sunday Vespers At Hope Chapel Prove Popular

FINE PROGRAM RENDERED
BY STUDENTS OF MUSIC
SUNDAY AFTERNOON

A large crowd attended the vesper service in the Hope Memorial Chapel on Sunday afternoon. The program was given by students in the Hope College School of Music and was the last of the homecoming festivities.

Prof. Thomas Welmers opened with prayer after which the response "Christ We Do All Adore Thee" was sung by the chapel choir. The chapel choir opened the program with "Ye Watchers and Ye Holy Ones" a seventeenth century German melody.

The organ selection "Pastorale" by Guilman was played by Miss Mildred Schuppert. Miss Vivian Veldman followed with a piano solo "To Spring" by Grieg.

Miss Marian Luidens played on the organ the selection "Grandmother" by Clokey and Miss Adelaide Dykhuizen played Handel's

"Largo" on the organ. A piano and organ duet "Andantino" by Frank was played by Miss Ethel Leetsma at the organ and Miss Mildred Schuppert at the piano. The chapel choir then rendered the selection "Beautiful Savior" a melody from the twelfth century.

After the offertory Richard Niesink closed the program with the organ selection "Toccata in C Major" by Bach.

Knicks Have Annual Stag At 'Homecoming'

LOKKER AND PYLE GIVE
TOASTS FOR KNICKS
OF YORE

Continuing the homecoming spirit, the annual Knickerbocker Homecoming Stag was held at the Warm Friend Tavern Saturday evening, October 25. At 7:15 o'clock the alumni and the present members of Knickerbocker joined at the Tavern. After enjoying a delicious steak dinner, Allen Brunson welcomed the alumni. Following Mr. Brunson's short talk, John Somsen rendered two vocal selections, "On the Road to Mandalay," and "Lassie O' Mine." He was accompanied at the piano by Richard Niesink.

Attorney Clarence Lokker of this city, a member of the Class of 1910, gave an address, urging that we put our hearts into our work. This was followed by a short speech by Rev. "Bill" Pyle of Overisel. The subject of his address was loyalty. Lewis Scudder acted as toastmaster.

Martha Vanderberg spent the week-end the guest of friends at Muskegon.

Dr. Van Kersen Shows Films On Missions

ASSOCIATION UNION HAS
JOINT MEETING TO SEE
PICTURES

Last Tuesday evening was a great time for the friends and supporters of the Association Union on the Campus. The Y.M.C.A. and the Y.W.C.A. met in a joint meeting to see the moving pictures taken by Dr. Van Kersen on his deputa-tion trip to the missions of the Reformed Church. The crowd was so large that there was hardly room for all. It is estimated that about 250 Hopeites turned out to this very worthwhile meeting.

Dr. Van Kersen showed us two reels of film dealing with the work of the mission in India. He offered brief running explanations as he showed the pictures. The choice of the pictures dealing with India was a very happy one indeed. Two Hopeites, Lewis Scudder and Bernard Rotschaeffer, were especially pleased, since it brought them in touch with their families in such a unique way.

The pictures gave a fine idea of the great work the church is doing in the country of India to relieve the suffering of its people by means of medical aid and spiritual counsel. It reinforced in some the flagging conviction that foreign missions are a worthwhile project, and it was the means for a fine achievement on the part of the Association Union in attaining its aim as a Christian and co-ordinating agency, on the Campus.

SPORTING JOIS

There was only one upset in M. I. A. A. play Saturday. At Holland before the homecoming crowds, Olivet edged out a 6-0 victory over Hope, but in the other games the favorites were victors. Albion won a hard-fought battle from Kalamazoo 25-14 at Albion, while Alma won its homecoming game by a 13-12 score from Hillsdale.

The Albion-Kalamazoo contest was a hectic struggle for most of the way. Both teams showed a great power in offensive play and it was anybody's game for three-fourths of the way. Albion showed superior strength in the last quarter.

The race in the M. I. A. A. may be settled this week when Albion plays at Alma. Both teams have won three and lost none and are running even for the championship. Olivet plays at Kalamazoo, while Hope will be at Hillsdale.

Hope Co-Eds To Take Up Debate For First Time

MANY ENTRANTS MAKE THE
COACHES OPTIMISTIC

Debating this year is not restricted to the men. A call was sounded Wednesday for candidates for women's debating and so large a number responded that we are assured of a girls' team to represent Hope in M.D.L. contests. More than that, the coaches are so favorably impressed by the ability of those who appeared that they predict a very successful year.

The following reported on Wednesday: A. Van Peursem, H. Dick, L. Guigelaar, Louise Kieft, V. Behrman, J. Walvoord, N. DeHaan, B. Visser, A. Clark, M. Warner, E. Wierda, C. Nettinga and E. Helmbold.

The question for women's debating is one of great interest. Resolved, that state medicine should be established. As this is the first year of Girls' debating, it is earnestly desired that the student body back the enterprise and give these girls encouragement and co-operation.

HEARD COLLEGE HALLS

Anne Buth entertained Lucille Walvoord, Evelyn Geerlings, Marian DeKuiper, Esther Mulder and Jean Hinken during Teachers' Institute while Olivia Johnson, Joey Rodenberg and Olga Bender were guests of Hazel Paalman. Esther Boughter was the guest of Marian Sluyter.

Many of the alumni and members of faculty attended the Koffee Kletz at Voorhees Hall after the game Saturday. Among the alumni were Everett Beken, Marian Katte, Gladys Huizenga, Bill Meengs, Betty Morreson, Edith McGilvra, Bud Dykhuizen, Geneva VanderBrink, Nellie Van Heutsma, Jack Ver Meulen, R. J. Hinkes, Mr. and Mrs. John Veldman, Dorothy Mulder, Grace Kolpe and Katherine Menlink.

Heard after the mass meeting Friday night:

First Frosh: "Well, I guess they have some pep after all. How about it?"

Second Frosh: "Yes, their pep is all right. But why do they have to sing 'On Wisconsin' and the 'Stein Song'?" This is Hope College and if they don't like 'In That Dear Old Town,' somebody ought to write another."

Just something to put in our Thinkubator!

OLIVET GRABS HOMECOMING GAME BY 6-0

(Continued from Page One)

and then Lyman heaved a lateral to Sullo who ran over for 6 points. Capt. Brunson blocked the try for extra point.

Hope's most promising chance came in the second period. A forward pass, Dalman to G. Wiegierink netted 17 yards on the first try and 23 on the next. A penalty for off-side wrecked the second gain and the Hope offence crumpled. Another promising attack was broken up when Lyman intercepted Dalman's pass.

The athletes of Joe Truckowski nearly scored another touchdown in the closing minutes of play, but Hope took the ball over on their own 5 yard line and quickly punted out of danger.

Lyman proved a little bit superior to Tysse in punting while Hope passes were just a bit more effective than the Olivet heaves. Sullo was the hero of the Olivet eleven carrying the ball about three fourths of the time. The little Italian dodged and side-stepped his way for the largest individual yardage of the day. Bowen,

Milanski and McWilliams were powerful in line play. Dalman headed the offense for Hope while Norlin, Wyngarden, and Brunson played well on the line. Olivet out-scored Hope in first downs 8 to 6.

Fraternities

Addison: After the meeting Friday night everyone was still wondering what Abdul Aradi might have said. It would be well for him to select a more patient timekeeper the next time he has to appear on a program, if he continues with his filibustering ways. John Cotts might have filibustered a little more with his delightful "Campaign Songs" number. There is still a question as to where he scared up so much campaign dust and fog. He can surely be classed with our modern "debunking biographers" when he dares to drag such names as Lincoln and Van Buren into the harsh campaign light.

Cosmopolitan

There was no meeting last week due to the time devoted to Homecoming. Lloyd Wathen was chairman of the Homecoming committee and proved himself an able administrator. His devotion to duty evidenced by his work during Homecoming week has shown that the nickname of "Will-power" bestowed upon him by his brother Cosmos, is very appropriate. Among the Cosmos alumni during Homecoming were Al Vandenbush, "Cox" Van Lente and Neal Van Ostenberg.

Emersonian

Jake De Vries did an admirable

job as house decorator and Wilbur Ensfield's efforts as float-maker were productive. A large consignment of T. N. stationery was received and immediately subscribed. Bert Bossenbroek received a large box of candy from home on his birthday. His frat brothers very generously helped him to get rid of it.

Fraternal

The program Thursday night consisted of Religion in the Modern World, Clarence Gecker; That Ancient Game of Football, Jim Tysse; The Week-End Review, Tite Van Haitsma. The music for the evening was furnished by "Pres" Van Kolken and Earle Moerdyke. Jim Nettinga gave an extemporaneous number. The Frater Freshmen have been having a tough time lately. Monday night was the time of much rough stuff with the Frosh on the receiving end. Tuesday night the formal initiation was held.

Knickerbocker

There was no meeting held last week. "Waddy" Spoelstra and John Sonpsen did the decoration at the house. The graveyard was the brain product of Waddy. The Knick store is showing a profit says Waddy. When he has made five dollars he is going to buy a derby hat. Fred Wyngarden is in training for next spring's track meets. Fred is shoveling coal every day to strengthen himself for the shotput. Hope should clean up everything this year, says Fred.

Sororities

Alethea: The Aletheans entertained their Alumnae last Saturday night at the Mary Jane Tea Room.

Tomorrow night "when the frost is on the pumpkin and the fodder's in the shock," the Aletheans will gather by twos and by threes for a Halloween masquerade party. A gypsy fortune teller will be there to tell fortunes good and fortunes bad. By the flickering candlelight, weird ghost stories will be told.

Delphi: Despite the much talked of "business depression," the officers of the Delphi Society will finally stage the long hoped for treat at the meeting Thursday night, which will be in the nature of a Halloween party, with ghost stories and fortune tellers adding atmosphere.

Many old friendships were renewed when Alumnae and present Delphians dined at the Tavern last Saturday evening, as part of the Homecoming program.

Sibylline: The Sibylline Literary Society will hold its regular meeting on Thursday evening, October 30. The program will, of course, be in keeping with the date, Halloween. Sibyl Schurman will elucidate on the Origin of Halloween. The Sibs will witness the "Witches' Flight" by two brooms, a Halloween play by cats, owls, witches and bats, with choruses by the Spooks Bank, and the Witch will do some Fortune Telling and Healing. This program will be followed, besides

the business meeting, by Halloween games and a marshmallow roast.

Sorosis: Saturday noon the present Sorosites held a luncheon with their alumnae at the Warm Friend Tavern. Miss Lucille Walvoord was in charge.

A short program was given. Miss Nella Meyer rendered a piano solo. Two selections were sung by Miss Gladys Huizinga accompanied by Miss Mildred DePree. Mrs. George Pelgrim brought greetings from the alumni.

Thursday evening ghosts will walk and bats will fly for Sorosis at the home of Miss Betty Smith where a Halloween party will be held.

Dorian

Nineteen of the Dorian alumnae and all the regular members enjoyed a delicious potluck supper in the Dorian room in Voorhees hall Saturday evening. A short program was given consisting of group singing led by Lillian Sabo and accompanied on the piano by Cathrine Nettinga. Devotions were led by Dorian Patroness Miss Laura Boyd. The alumnae were welcomed by President Josephine Rodenberg and Alumna Betty Morrison favored the group with a vocal solo. Each of the alumna told of her experiences in teaching or in other vocations since leaving college. The first Dorian Alumnae Association was formed with Mrs. Albert H. Timmer a charter member of Dorian, as president, and Miss Delia Helder elected as secretary for the organization. The Alumnae Association plans to have all the Alumnae possible attend another get-together meeting at Commencement time.
